

I. C. R. N. Teletype In L. H.

The Inter College Radio Network set up its United Press International teletype machine in Lewis House to better provide the students with the latest news on the Cuban situation. The ICRN is also bringing the students of CCT and SUCP the latest bulletins over its member stations WCCT—540 kc and WNTC—640 kc. This special Lewis House News Center will remain set up as long as there exists a tense situation in the Cuban area. "The ICRN invites you to visit the Lewis House News Center and read the latest news direct off the wires of United Press International", said president Bill Cleverly.
